

Update - Urgent Care Centers Reimbursement for COVID 19 Vaccine Administration May 4, 2022

Below are the covered codes for administration of COVID-19 vaccines.

| Manufacturer and Administration codes | | |
|--|---|---|
| Pfizer <ul style="list-style-type: none"> • 0001A (1st dose) • 0002A (2nd dose) • 0003A (3rd dose) • 0004A (booster) • 0051A (1st dose) • 0052A (2nd dose) • 0053A (3rd dose) • 0054A (booster) • 0071A (Pediatric – 1st dose) • 0072A (Pediatric – 2nd dose) • 0073A (Pediatric – 3rd dose) | Moderna <ul style="list-style-type: none"> • 0011A (1st dose) • 0012A (2nd dose) • 0013A (3rd dose) • 0064A (booster) • 0094A (booster) | Janssen <ul style="list-style-type: none"> • 0031A • 0034A (booster) |
| Important <ul style="list-style-type: none"> • 0001A, 0002A, 0003A, or 0004A will deny if billed without 91300 (Pfizer-BioNTech coronavirus disease, COVID-19 vaccine) on the same date of service. • 0011A, 0012A or 0013A will deny if billed without 91301 (Moderna coronavirus disease, COVID-19 vaccine) on the same date of service. | | |

Reimbursement

For dates of service November 1, 2020, and forward, we'll follow the guidelines below to reimburse urgent care centers for COVID-19 vaccine administration.

| Claims submitted for | Reimbursement | Lines of Business |
|---|--|--|
| COVID-19 vaccine administration only and without S9083 | HAP fee schedule rate based on appropriate HAP line of business | All HAP and HAP Empowered |
| COVID-19 vaccine administration and with S9083 | Considered bundled and will be reimbursed with urgent care case rate | HAP Commercial and HAP Medicare plans only |

Vaccine Administration Billing Guidelines for Commercial and Medicaid Members

You can submit claims for administration of COVID-19 vaccines for commercial and Medicaid members. Please see table above with manufacturer and administration codes.

Vaccine Administration Billing Guidelines for Medicare Advantage Members

| For 2020 and 2021 Dates of Service | For 2022 Dates of Service |
|--|--|
| We're aligned with CMS guidelines. Per CMS, submit claims for administration of all COVID-19 vaccines for MA members to the CMS Medicare Administrative Contractor (MAC) for payment. Claims will deny if submitted to HAP with direction to bill CMS. | For administration of all COVID-19 vaccines on or after January 1, 2022, submit claims to HAP using the codes outlined in the table above. |
